

LIVING WATER, HOLY WINE

Jesus offers us living water.

Water and wine flow throughout John's Gospel, representing the new life Jesus makes available to all people. To the woman at the well, Jesus promises living water — the refreshing, sustaining spring of the Holy Spirit. This overflow is bought by the blood of Christ, the holy wine. Living water requires holy wine. Eternal life is made possible by the sacrifice of Jesus. This is what we celebrate when we come to the Lord's Table. We drink from the cup of resurrection that we may never thirst again.

Jesus answered, "Everyone who drinks this water will be thirsty again, but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life."
