

MIRACULOUS AND MULTIPLIED

Jesus is the Bread of Life.

Jesus often metaphorizes the body to describe the soul. Souls like stomachs experience hunger, crave nourishment and long for satisfaction. The 5,000 are hungry. Their souls desire a taste of heaven while their bodies yearn for a morsel of bread. Jesus miraculously feeds both. Large numbers with very human needs are not too much for the Bread of Life. He multiplies Himself to satisfy each one. He still does. Come to His table and be fed.

*Then Jesus declared, "I am the bread of life.
Whoever comes to me will never go hungry,
and whoever believes in me will never be thirsty."*

– John 6:35
